# FHS Student Career Tracker

**Directions:** This tool will help you keep track of all your activities and achievements throughout your high school career. When you become a senior, if you plan to attend college or a trade school, it may be helpful to apply for scholarships to help pay for your education. Every time you receive an award, participate in an activity, volunteer, etc., document it in the appropriate space making sure you note the year, what you did and how long you did it.
